Project Update: Investigative works at Leworthy Street, Bardon

What's happening?

We have recently been completing investigative works in your area for upcoming upgrades at the Leworthy Street Water Pump Station. These works have been extended to complete further potholing activities.

What's next?

From **Tuesday 18 March 2025**, our delivery partner, **Diona**, will be returning to complete further investigative works, including potholing activities, in preparation for upcoming upgrades at the Leworthy Street Water Pump Station along **Leworthy Street**, between **Carey Street** and **Nestor Avenue, Bardon**.

Work Hours: Between **7:00am** and **5:00pm, Monday to Friday**, for up to **three days** (subject to weather and site conditions).

What to expect:

- **Crews, trucks and equipment** on the footpath and road. Safety barriers will be in place to keep everyone safe, where required.
- **Noise and dust** from construction and machinery. We'll minimise these where we can.
- **Restoration activities** will be undertaken as works progress and disturbed areas will be restored as possible to the original condition once works are complete.

We thank you for your patience during this important work.

For further information, contact **Diona** on **1300 13 13 38** or **UUTeam@diona.com.au**
