

Project Update: Night works at Dawson Parade, Keperra

Our delivery partner, **Diona**, are undertaking investigative works, including potholing activities, in preparation for an upcoming water main replacement along **Dawson Parade**, between **Kane Street** and **Madsen Street, Keperra**.

Work hours: between **9:00pm Tuesday 26 November 2024** to **5:00am Wednesday 27 November 2024** (subject to site and weather conditions). Traffic controllers and site crew may arrive onsite earlier to prepare for works and traffic management.

What to expect:

- **Night work** with reversing beepers, safety lighting, crews, trucks and equipment on the footpath and road. Safety barriers will be in place to keep everyone safe.
- **Noise/dust.** Local residents and businesses may experience increased levels of noise and dust due to construction activities and increased vehicle movements. We'll minimise these where we can.
- **Changed traffic conditions** including lane closures will be in place. Traffic controllers will be on-site to look after the safety of road users and pedestrians.
- **Temporary water outage.** To complete this important work, there may be short-term temporary interruptions. If your property is affected, you will be notified in advance of any planned interruptions to your water supply.
- **Restoration.** On completion of works, we will restore all work areas as close as possible to the original condition.

We thank you for your patience during this important work. For further information, contact Diona on **1300 13 13 38** or **UUTeam@diona.com.au**
