Third Party Certification Scheme Endorsed Consultants – Minor Works

Consultants are endorsed according to capability, quality, and experience, with regular audits to ensure high standard service delivery and continuous improvement.

When choosing an Endorsed Consultant for certification of the design, construction and compliance of your Minor Works, all customers are encouraged to ensure you are making a properly informed decision, including seeking multiple quotes.

Customers are responsible for arranging adequate commercial agreements when engaging a supplier. Urban Utilities holds no liability over products or services provided by an Endorsed Consultant.
