

Join us at the Esk Show

Saturday 24 May 2025 at Esk Showgrounds, Esk

Urban Utilities is committed to excellence in water and wastewater services that enhance the liveability of our communities. As part of this commitment, we are currently installing important new infrastructure in your local area.

About the project

Our delivery partner, **Diona**, and their subcontractors commenced, work to install a new water reservoir in Esk in April 2024 along Highland Street. Works are expected to be completed by end August 2025, weather and site conditions permitting.

Join us at the Esk Show

Urban Utilities and **Diona** are excited to return to the **Esk Show** on **Saturday 24 May 2025**. We'll be there from **8:30am to 5:00pm**.

What to expect?

Enjoy a great day out at the Esk Showgrounds.

Come along to learn more about the Urban Water Cycle and connect with your community through fun, interactive, and educational activities for the whole family, including:

- Interactive photo opportunities with a 5-tonne 'Digger'
- Construction play zone including sandpit and construction-themed toys
- Kids' colouring-in area
- Project showcase with information handouts and time-lapse video showing construction footage
- Information on career pathways in water and construction industries
- Giveaways

Whether you're a long-time local or new to the area, come and be part of the fun—there's no better way to experience the heart of Esk!

We can't wait to see you there!
